Thank you for sending the agenda Cassandra. I am looking forward to the discussion.

I am forwarding to Erin because I think you accidentally used her old Corps email.

I'll keep an eye out for the meeting summaries before Fri.

Subject: Meeting Agenda

All – Hope you had a nice holiday break.

Attached is a draft agenda for Monday's meeting. Please let me know if you have any edits. Note the meeting will be in our Bonderson Building, 901 P St, Room 422.

With respect to the meeting summaries, I've accepted all of your changes and have a few tiny additional edits. I will have those back to you, along with answers to your other comments/questions, later this week. Since everything is FOIA-able, our legal team has to do a review before I distribute.

See you soon, Cassandra
